“With the large payroll company we used before, we were a little fish in a big sea of customers. Whenever we had a problem or a question, we had to re-explain our scenario every time, and we never felt important. **With APS, they recognize our voice when we call;** they care about our mission, and the personal care we have consistently received has been exceptional.”

Angie White | Senior Vice President

“Having APS manage our payroll system has helped us tremendously and makes me less worried we are missing something.”

Damon lammarino | Accounting Manager

“Having the option to create customized reports has really been helpful and **we couldn't ask for better customer support.**”

Cindy Carlton | Director of HR

“After I reviewed several products on the market, I recommended APS to our company and it has been **the best decision we have made.** Staying in compliance with our contract licensing has been made a lot easier”

Amy Simpson | Executive Director

“Our payroll system was a collection of papers moving from one person to the next. Each payroll took time from several different people. Now timesheets are recorded electronically and it has **eliminated many sheets of paper going across 4 different desks.** Great time saver and tree saver!”
