

Sophia Flores | Administrator

“This year we used the Benefits Administration feature. It made open enrollment for 200 employees go a lot faster. **We have experienced significant savings since switching from our old payroll company.**”

Karen Phillips | Operations Assistant

“**Customer service is wonderful!** The ease of access and entry of payroll has been great. We have been extremely happy with APS and have no reason to change.”

Mason Woodward | Managing Partner

“We’ve been very pleased with APS so far. **APS has helped us greatly with our HR and payroll functions.**”

Denna Bordelon | Director

“**APS is the only way to process payroll.** The APS system is user-friendly and easy to understand.”

Kristi Callender | HSE Director

“Very good system. We love the **ease of use and the functionality of the APS payroll system.**”

Dana Arikian | Manager

“I needed a solution that allowed me to focus on my business rather than spend hours doing payroll. APS does that for me. **Their platform is simple to use** and when I need help my personal account manager is just an email away.”
