

Ashley Burns | Bookkeeper

“APS Payroll helped solve my problem of each of our locations having to do their own payroll. I can upload directly from the POS and review everything in one system. Customer service also makes a huge difference. I love that I can email or call anytime and get help, even when it’s a tiny issue.”

Emilie Daigle | Human Resources Manager

“I don’t like to waste time searching for things. I want to be able to access and develop the report I need quickly. **With the layout of the APS system, running payroll and reports couldn’t be easier.**”

Liz Moreno | Bookkeeper

“The reports are easy to use and **I can pull everything I need from the internet with APS’ online payroll system.** The ability to access the system online is a ‘must-have’ for a multi-location restaurant business and has significantly reduced the time required to process payroll.”

Nathan Worthen | General Manager

“**The best company I have ever used!** The integration abilities of the company make it feel like the software does the work for you. Best of all, I can speak to a real person without waiting on hold for half the morning.”

Emelie Alton | CEO

“With restaurant locations across the state, payroll data integration and analysis can be challenging. **The APS online solution allows us to access the business intelligence information we need with ease and complete the payroll process with confidence.**”
