Ascensus*	Fidelity*	Mutual of America*	Vanguard
Basic Pacific	Guidestone*	Relias	Voya*
Certent HRIS	Infinisource	Restaurant365	Wells Fargo 401k
CMS Attendance Data	John Hancock*	Sage Intacct GL	
CMS PBJ Reporting	MassMutual 401k*	Securian*	
Empower*	Merrill Lynch	T. Rowe Price*	

Integrations

* These automated exports have 360 integration available. This means that data can sync back and forth between APS and the 401k provider. The import programs listed here DO NOT guarantee that custom development work is not required. It is important to note that while the layout may be standard, most are configured to report specific data according to the needs of each particular client. Meaning that while it works for one client, may not work for others.
