

Lynn Hooper | PHR

“APS has a quick response time when it comes to payroll questions. They also follow up to make sure all questions are asked. The team is very knowledgeable and professional. They hand the federal and state tax reports that need to be done quarterly and they also take care of end of year tax reports...having APS handle the federal and state taxes is worth every penny.”

Holly McNabb | Director

SERVICES, INC.
YOUR SUCCESS IS OUR SUCCESS!

“The conversion process was seamless and we were under a time crunch. **APS staff are very helpful**; any questions were answered quickly and completely. Processing payroll is a breeze!”

Jeanna Dubroc | Human Resources

“**APS is great for your payroll and HR needs!** The staff are extremely helpful with implementation and all of our need and questions.”

Janet Fowler | Human Resources Manager

“APS is well suited for everyday payroll processing, time scheduling and report writing. The payroll program is easy to use and easy to correct with a user-friendly viewing format. **I can't say enough good things about the representatives being local.**”
