

## Derrick Smith | Assistant Controller

“APS made the decision an easy one for us by offering competitive pricing coupled with superior service and a user-friendly system that is easy to navigate... APS has given me back needed time to focus on financials and other deadlines critical to our business success.”

## Chris Bevel | Human Resources Vice President

“APS met all of our goals with their integrated online payroll, HR, reporting and attendance solution. **We are very happy with their customer support, and they have saved us thousands of dollars in fees.**”

## Diane McManus | Owner

“I am continually impressed with the reliability of APS' tax compliance services. We have locations in multiple states and **APS doesn't miss a beat when it comes to adjusting to state and federal tax changes.**”

## Mary Kieff | Human Resources

“We have experienced tremendous growth, so when it was time to select a new payroll solution, we wanted to make sure it offered state-of-the-art technology, enabled online data access from any location, eliminated the need for duplicate entry, was set up in an easy-to-use format, and had the system capacity to grow with our company. **APS has been a great fit for us.**”

## Rene Adams | Human Resources Manager

“I can tell you that having a **user-friendly and efficient system like the one APS offers makes a big difference.** I've had several other payroll companies try to move us away from APS, but we're not interested because none of them are as easy to use.”
